

JOHN HOLLY WILLIAMS/STATE BANK COLLECTION
 "MEN IN FORMAL POSE"

Each photograph in this group is of a single man photographed in a formal pose in size 5"x7" or smaller. These are original printed negatives. The photos are divided alphabetically with the first section of men identified with both first and last names and dates. The second section under each letter is of men with full names but no dates. And the last section is only when the last name is available. Sizes are smaller than 5"x7" with most being about 3"x4". Some of the names may be parents or girlfriends. Some spelling was illegible.
