

Friends of the Lincoln County Public Library

Acknowledgement of Materials Donation

Revised January 11, 2012

The Friends of the Lincoln County Public Library accepts gifts of new and used books, audio recordings, videos, and other similar materials. Items will be added to the library collection in accordance with the selection policy of the library, and the library also reserves the right to decide when a gift added to the collection must be withdrawn.

Once donated, items become the property of the Friends of the Lincoln County Public Library, and may be given to other libraries or non-profit agencies, sold, traded, or discarded if they are not added to the collection. Donated items will not be returned to the donor and the Friends will not accept any item that is not an outright gift.

The Friends acknowledges receipt of donated items but is unable to set a fair market or appraisal value. It is recommended that the donor make an itemized list of items donated. If items are being donated to obtain a tax benefit, it is the donor's responsibility to establish fair market value or obtain expert assistance in establishing any value.

I agree to the above listed uses of the material that I have donated to the Friends of the Lincoln County Public Library.
